

To Whom it May Concern,

BOLD is proud to serve our community. We serve 64 county virtual schools throughout Florida which in turn support students and their families through their virtual education. As we all know, education plays an integral role in shaping the future of our society. With the increasing challenges faced by educators and students, it becomes crucial to recognize their hard work, dedication, and perseverance. We are requesting sponsorship for our upcoming conference in February. Attached you will find the various levels of sponsorship we are requesting for your consideration.

We appeal to your generosity and commitment to education in helping us reach our goal. Every donation, no matter the size, will make a significant difference in empowering our educators and the continued growth of a vibrant and innovative community that aims to shape the leaders and thinkers of tomorrow.

Thank you for taking the time to read this letter and consider our request. Any donation will be greatly appreciated and is considered a tax-deductible donation. If you wish a receipt for your donation, our school will provide one per your request. Together, we can make a profound impact on the lives of our educators and students, inspiring them to reach for new heights in their educational journey.

With heartfelt gratitude,

Bold Executive Board
